

Holy Cow!

What can make 20,000 youngsters happy? Twenty thousand NASA Johnson Space Center aerospace activity books can do it. That is how many activity books were given to youngsters visiting the NASA Johnson Space Center exhibit at the Houston Livestock Show and Rodeo (HLS&R) 2002 in the Agraventure section of Reliant Hall between Feb. 12 and March 3. The exhibit, staffed by 80 volunteers, 17 astronauts and their friends from the astronaut office, had about 40,000 visitors during the 20-day show.

Volunteer Jerry Elliott visited with the exhibit's next-door neighbor, Elsie. Elsie wore her best blanket and fresh flowers, and she had polished hooves and horns for her appearance at the show.

Thanks to Jackie Baston, Don and Cynthia Hanselman, Bettye Bowerman and Jerry Elliott for the images. A huge thanks to all who helped made the exhibit at HLS&R 2002 a tremendous success.

A rodeo fan visiting the JSC exhibit talked with Astronaut Ron Garan as he signed a lithograph for her. Nicole Stott kept busy signing autographs and visiting too.

IMPASS Community Outreach Coordinator, Hazel Fipps-Mann, who coordinated the volunteer effort for the event, helped Flat Stanley in his Extra-vehicular activity.

Astronaut Barry Wilmore's cowboy hat was the perfect accessory for his flight suit. Wilmore exchanged autographed pictures with a fan that had her own claim to fame: Her photo appeared in the newspaper with an account of her expertise at the weaving loom. Wilmore got her autograph in exchange for his. Astronaut Janice Voss is in the Commander's seat signing autographs for eager visitors.

The exhibit featured popular photographic opportunities, eye-catching graphics and videos featuring JSC's educational programs and the International Space Station.

A young cowboy showed Flat Stanley the ropes.
